EDUCATION

Jawaharlal Nehru Technological University college of Engineering Pulivendula *Dec 2023 - Present*
Bachelor in Technology
Department of Computer science and Engineering
Current CGPA: 8.88

Vijaya krishna junior college,Tirupati   Passed in 2022
Intermediate
Overall Percentage: 95.1

Vijaya krishna High school   Passed in 2020
School
Overall CGPA: 10

CARRIER OBJECTIVE

Passionate computer science and engineering student dedicated to contributing technical expertise and creative problem-solving to challenging projects. Seeking opportunities to leverage skills in my technical journey, collaborate with talented professionals, and make impactful contributions to innovative initiatives in the technology industry.To work for an organization which provides me the opportunity to improve my skills and knowledge to grow along with the organization objective

PROJECTS

Python puzzler
Mini Project
The aim of our project is to develop an interface that is meant to level up my skills in python programming. Developed a dynamic and interactive Python Puzzler, a quiz system with a user-friendly interface. The project is designed to challenge users with a variety of Python programming questions, assessing their knowledge in different concepts such as loops, functions, and data structures..

TECHNICAL STRENGTHS

Programming & Skills	C++, C , python, Data Structures , Data Bases, HTML , CSS , JS ,MERN
Software & Tools	Oracle, Eclipse, IDLE(python) Visual studio code, DEV C++, Git

WORK EXPERIENCE

Python puzzler   January 2023-February 2023
Project Experience

Developed a dynamic Python quiz system with an interactive user interface. Implemented features such as question randomization, scoring, and persistent data storage. Received positive feedback for its educational value.

CERTIFICATIONS

Technical English for Engineers by NPTEL

Introduction to web development with HTML,CSS JAVA SCRIPT by Coursera

Problem-solving basic and intermediate certifications by HackerRank

HACKATHONS-COMPETITIONS

A day Hackathon on front end development.

ACHIEVEMENTS

Rank 1 in C programming on HackerRank platform

Silver Badge in NPTEL certification

Awarded in English fluency competition Just a Minute

PERSONAL TRAITS

Eagerness to continuously learn and stay updated with industry trends and technologies.

Ability to quickly learn and adapt to new technologies and methodologies.

Excellent teamwork and communication skills, demonstrated through group projects and collaborative efforts.

Effective verbal and written communication skills, facilitating clear collaboration with team members.

INTERESTS

Book Reading

Teaching

LANGUGES

Telugu

English
